09 22 430	3/4" 4 x 8 P/S Cherry "HPVA" A/2 MDF	58.50
09 22 431	3/4" 4 x 8 P/S Cherry "Premium" A/1 MDF SM&N	70.75
09 22 480	3/4" 4 x 8 P/S Cherry AA/B MDF SM&N	74.35
09 22 484	3/4" 4 x 8 P/S Cherry AAA/A MDF SM&N	83.50

“What’s the difference?”

Panels will increase in face quality as you go up from an HPVA “A” to a “AAA.” Veneers used in the premium grades tend to come from the top end of the “A’s The backs do the same. “B” or “A” is actually a face grade that we put on the back.

Some of the specific characteristics can be found in the HPVA “American National Standards Grade Book.” Here are some highlights (note: certain characteristics vary between species):

FACES	MIN. WIDTH IN COMPONENTS	COLOR VARIATION	FIGURE	SEQUENCED MATCHED
HPVA “A”	5”	SLIGHT	YES	NO
PREMIUM “A”	5”	SLIGHT	YES	YES
AA	6”	MINIMAL	MINIMAL	YES
AAA	7”	ALMOST NONE	ALMOST NONE	YES
BACKS	MIN. WIDTH IN COMPONENTS	BOOK MATCHED	CUT	
#1	ANY	NO	R/C or P/S	
B	3”	YES	P/S	
A	5”	YES	P/S	

Pricing good through April 30, 2004 as supplies last.

Performance Grade Laminates and Specialty Products

Chemsurf Chemical-Resistant Laminate

Excellent for health care facilities, labs and darkrooms, and anywhere chemical spills are of concern. Unlike many competitors, Chemsurf is available in all Wilsonart colors and designs to give you unparalleled design flexibility. We offer more size options and faster delivery than our competitors.

Fire-Rated Laminate

Made to meet Class 1A Flame Spread and Smoke Developed specifications. Combined with Aetna's fire-rated particleboard for the best FR product in hospitals, nursing homes, schools and government facilities.

Decorative Metals

25 Aluminum and steel products to add reflective quality to fixtures and displays. The newest Metalaminates will reduce your cost and increase shop efficiency and profits. Metalaminates come standard with an H.P.L. backer at no additional charge.

Marker Board

A light-weight option for dry eraser panels used in planning centers and furniture.

High Wear Laminate

For high-traffic areas such as checkout lanes, fast-food restaurants, and libraries. Abrasion-resistant Wilsonart laminate will improve performance and durability. Superior performance vs. Nevamar's ARP.

Extra-Impact Laminate

Offers 30% more resistance to impact and stress cracking, to contribute to the structural strength of a fabricated project.

Solid Phenolic Panels

Eliminate substrate materials with function and decorative panels that offer increased impact resistance and structured strength. Over 200 colors available.

Custom Laminates

With 3 versatile processes, you can add a custom logo or information panel right into the sheet, offering the care and maintenance characteristics of H.P.L. but with the special designs and colors you need. The minimum order quantity is only 1 sheet.

Custom Edge Profiles

Our laminate bevel-edge mouldings are the quickest and most consistent mouldings available to install a special bevel-edge to your countertops. Reduce critical lead times when you use our special stock program for all 21 colors in the MesaGranite and Mystique Collection. Solid wood edges offer an elegant alternative to a self-edge top.
