The D.R.I.V.E. to help you succeed

What began as a modest enterprise during the 1930's has become the Midwest's largest distributor of wood, wood panels, laminate and woodworking hardware.

Our customers range from Fortune 500 to small specialty shops. You'll find our products in all the best places, from O'Hare Airport to the RCA Hoosier Dome, from the Empress Riverboat Casino to Water Tower Place.

But our most important asset is our people. People that understand the importance of quality and deadlines. Specialists that know their product areas inside and out.

Will-Call

Will-Call is available every weekday between the hours of 8am and 4pm. Just give us a few hours, and we'll have it ready and waiting for you.

Delivery

Our trucks are out making deliveries everyday of the week. Your location will determine how frequently we deliver to your precise location. But if your order doesn't arrive the next day, it will likely arrive within a day or two of that.

Selection

Aetna's truly your one stop shop for all your wood, surface and hardware needs.

- Hardwood plywood in virtually any specie, type, thickness, grade and core available.
- Hardwood lumber in any specie, rough or surfaced, straight line-rip one edge, you name it.
- Melamine, particleboard, medium density fiberboard.
- The largest selection of Wilsonart Laminate, including 250 "Standard" colors.
- Woodworking hardware, including a complete selection of hinges, drawer slides, screws/connectors, and decorative items.
- MEGANITE solid surface

Inventory

Aetna is committed to maintaining an unmatched depth of inventory in all of our product categories. This means less time waiting for deliveries, and more time satisfying your customers.

Fabrication

The only thing we cut better than wood products is your cost. Aetna is one of the Midwest's largest producer of component parts. We manufacture to your specifications using the latest high-tech equipment. Tell us what you need and we'll go to work for you.

Resources

We deliver more than the product. We deliver information as well. If you need a recommendation about a material, specie, grade, core or need other technical information then call or email us. If we don't know the answer, we'll get it for you.
