Hardwood Lumber

With over 500,000 board feet of hardwood lumber in stock, **Aetna Lumber** is able to supply you with quality Northern and Appalachian hardwoods, from 100 feet to a truckload, when you need it! We buy from domestic and international hardwood lumber mills from specific geographic areas with attention to their manufacturing quality to supply you with the color, texture, or yield you require. Our distribution and fabrication plant is centrally located to receive material from the best growing regions of the country with the ability to surface and rip materials to your specifications. We are keenly aware that you have a choice of hardwood lumber suppliers: We appreciate your patronage and are committed to continuous improvement to earn your business.

Email Bert at: bertramirez@aetnaplywood.com or call (708) 343-1515 x 2232.

PLYWOOD

When you need plywood options, look no further than Aetna.

Aetna has become an industry leader for “AA” and “AAA” panels. We have a vast selection of hardwood plywood grades in stock, so you can be assured of getting the right panel for your job.

09 22 484	3/4" 4 x 8 P/S Cherry AAA/A MDF SM&N	\$83.25	→ \$80.75*

“What’s the difference?”

Panels will increase in face quality as you go up from an HPVA “A” to a “AAA.” Veneers used in the premium grades tend to come from the top end of the “A’s.” The backs do the same. “B” or “A” is actually a face grade that we put on the back.

Some of the specific characteristics can be found in the HPVA *American National Standards Grade Book*. Here are some highlights (note: certain characteristics vary between species):

FACES	MIN. WIDTH IN COMPONENTS	COLOR VARIATION	FIGURE	SEQUENCED MATCHED
HPVA “A”	5"	SLIGHT	YES	NO
PREMIUM “A”	5"	SLIGHT	YES	YES
AA	6"	MINIMAL	MINIMAL	YES
AAA	7"	ALMOST NONE	ALMOST NONE	YES

BACKS	MIN. WIDTH IN COMPONENTS	BOOK MATCHED	CUT
#1	ANY	NO	R/C or P/S
B	3"	YES	P/S
A	5"	YES	P/S

Pricing good through February 28, 2005 as supplies last.
