

THE ULTIMATE WATER-PROOF SURFACE

Wetwall is the ultimate surface for when water is ever-present. Instead of tile and grout, we developed a single panel that's water-proof. Stylish. Simple to install. And ready for everything.

A collection of on-trend and in-demand designs, the Wetwall Water-Proof Wall Panel System withstands everyday use thanks to a patented water-proof solution. It's also unbelievably easy to work with. Wetwall can be installed without any special tooling in as little as 2.5 hours. Once it's in, it's dependable and requires little effort. Because it's grout-free, it's simple to maintain and clean.
