

Vauth-Sagel CORNERSTONE® MAXX

The finest solution for getting the most out of every corner.

The CORNERSTONE® MAXX is an innovative system that delivers all of the contents to you directly in front of the cabinet, without blocking the neighboring one. The perfect solution for having a clear view, easy access and tidy storage.

The CORNERSTONE® MAXX with its aesthetic appeal and functional design has won multiple awards.

Features:

- Can be used in both frameless and face frame cabinets
- Suitable for applications in face frame cabinets for door openings of 14 5/8" - 22 5/8" and frameless applications in cabinet openings of 15" - 22"
- Available versions for 33", 36" and 39" cabinets
- non-handed soft opening and closing mechanism with power assisted opening. There is a switch that changes it from right to left hand.
- Quick and toolless assembly on shelves as shelves are fitted with attachment hardware.
- Shelf load capacity of 55 lbs.
- Independent height adjustment on shelves
- Configurations available for both under counter and under drawer installation.
- Shelf sets available in 4 sizes and 2 finishes; Scalea Maple and White Chrome.

Benefits:**Easy Fit**

- Tool-free installation of the trays on the support arms.

Unhanded Installation

- No need to worry about right or left handed applications, the CORNERSTONE® MAXX works both ways. Determine the opening direction at the flick of a switch!

Installation Template Included For Easy Installation

- Measure your opening – then line up with the arrow on the installation template.
- Excellent results in minutes.

Fewer Parts - Less Warehousing

- The system consists of just three parts.

Three Simple Installation Steps

- For fast and easy installation.

Retrofit Ready

- Can be installed in existing cabinetry without removing the countertop.
