

FGV Ten2 Drawer System: A DRAWER EVOLUTION

The Ten2 drawer system is characterized by a very slim profile and an enriched superior design. Three different heights create an elegant pan drawer solution and to maximize storage space with or without railing options. Available in a Polar White and Storm Grey for a modern look matching perfectly with wood and current trend designs. Coffee Black is also available as a special order.

- Elegant and extra slim design
- Full extension undermount drawer slides
- Dual Synchronized Slow-Motion Dampeners for consistency in closing
- Features toolless assembly
- OneTouch+SlowMotion hidden system

Kit comes with all hardware components necessary for a complete drawer.
