AETNA

BUILDING SOLUTIONS

We Have What It Takes

LET'S GO TO WORK!

Today, stiff competition and emerging trends are requiring that owners of commercial buildings do more with their space, whether to attract and retain the best employees and tenants, or support a fast-changing workplace environment. They must make the most of every square foot, since wasted space is wasted money. Most importantly, they must inspire everyone working, and living, inside. That's what our materials help make possible.

At Aetna Building Solutions, we work hard to help you work wonders. Our best-in-class materials allow for countless forms of expression in every commercial setting. With an endless array of options, we provide a one-stop resource that elevates the workplace experience.

ON TIME

You have a vision. Let's see it through with punctual delivery that doesn't disappoint. Now.

MATERIAL WITHOUT DEFECTS

Defects equal setbacks. Partnering with the industry's best brands and our control processes ensure quality to keep projects moving forward.

LOCAL INVENTORY

Our vast inventories and trucking fleet means shorter leadtimes and a quick turnaround when the unexpected happens.

RELIABILITY

Our specification process is rigorous and reliable. We ensure that the promised solution is delivered every time.

HPL High Pressure Laminate

Wilsonart® High Pressure Laminate brings affordable luxury, innovative durability, and eco-friendly engineering to every project with exquisite designs and distinct finishes.

TFL Thermally Fused Laminate

Industry's best-matched Thermally Fused Laminate, High Pressure Laminate, and Edgeband solution for design and texture. Maintains visual continuity without compromising design.

QTZ Quartz

Wilsonart® Quartz features dynamic looks, from expressive concretes to deep veined marbles, that are durable and easy to maintain.

SS Solid Surface

Wilsonart® Solid Surface is ideal for a variety of applications, pairing the beauty of nature with stain resistance and seamless engineering.

TPT THINSCAPE™

Just 1/2-inch thick and created without a substrate, durable THINSCAPE® countertops stand up to everyday use with European-inspired simplicity.

TR Traceless

Traceless™ Laminate collection includes 10 velvety tones that feature an ultra-matte finish for cabinets, doors, countertops, furniture, and more.

LU

Lujo

LUJO® is the highest standard for nature-inspired design. The latest luxury woodgrains include 10 new styles that embrace warm and cool elements of a modern palette.

VDL

Virtual Design Library

Evolving online library with virtually unlimited High Pressure Laminate designs allows for expressive designs – an excellent graphic wayfinding solution.

PLY

AetnaPly

AetnaPly™ is a highly versatile rotary cut plywood ideal for interior applications that include, but are not limited to, cabinetry, furniture, desks, shelving, trim work, lamination, and general woodworking.

SALICE

HWS

Salice Hardware

A complete product line of concealed hinges, drawer slides and sliding door systems has made Salice the technology leader of the market, a never ending task requiring solid engineering and innovative mentality.

HWV

Vauth Sagel Hardware

Vauth Sagel specializes in storage solutions which maintain both the cleanliness of the kitchen and a flexible separation.

HWL

Hardwood Lumber

At Aetna, we never stop upgrading and adding to our vast inventory of Hardwood Lumber. You'll find more of today's most popular species, grades and thicknesses, in stock and ready for delivery.

Wetwall™

WW

Wetwall

Wetwall™ is the ultimate surface for where water is ever-present. This patented lightweight panel system is simple to install and easy to maintain.

Instead of tile and grout, these tongue-and-groove panels can transform a bathroom into a water-proof oasis in as little as 2.5 hours. Explore nature-inspired designs, antimicrobial protection, and scratch-resistant technology in a surface that effortlessly elevates.

Roseburg
MDF

MDF

Armorite™

Roseburg Armorite™ is the right MDF material for your next job. It's an exterior grade, no-added formaldehyde (NAF) MDF panel that resists rot, decay, and insects.

HPL High Pressure Laminate

A variety of finishes and textures provide creative options that turn functional spaces into something special, while protecting from everyday impact.

TPT Thinscape

Just 2-inch thick and created without a substrate, durable THINSCAPE® tabletops stand up to everyday use with European-inspired simplicity.

QTZ Quartz

For high-touch surfaces, like the tops of meeting tables, this elegant material makes a pure and purposeful statement.

WW Wetwall

Wetwall™ is the ultimate surface for where water is ever-present. This patented lightweight panel system is simple to install and easy to maintain.

HWS Salice

A complete product line of concealed hinges, drawer slides and sliding door systems.

HWL Hardwood Lumber

Beautiful, sustainable, functional... and more popular than ever, in stock and ready for delivery.

PLY AetnaPly

Rotary cut plywood that has exceptional machining properties and is suitable for natural, colored, and painted finishes.

VDL Virtual Design Library

Wilsonart Virtual Design Library offers nearly limitless colors, patterns, designs.

Multi-Family

Corporate

Healthcare

SS Solid Surface

Withstands frequent and harsh disinfection protocols. Seamless, smooth, and non-porous for stain resistance and easy maintenance.

QTZ Quartz

Offers a rich and welcoming appearance. Non-porous surface that's stain- and scratch-resistant. Tough, durable, and doesn't require sealing, for lower maintenance and longer life.

HPL High Pressure Laminate

Durable, beautiful, and moisture resistant. Ideal for high-touch areas, including reception areas. Specified with AEON™ Scratch and Scuff-Resistant Technology, this surface performs better, longer.

TFL Thermally Fused Laminate

Industry's best-matched Thermally Fused Laminate, High Pressure Laminate, and Edgeband solution for design and texture.

HWV Vauth Sagel

Hygiene, and sustainability play a special role. Vauth Sagel specializes in storage solutions which maintain both.

HWL Hardwood Lumber

Beautiful, sustainable, functional... and more popular than ever, in stock and ready for delivery.

PLY AetnaPly

Rotary cut plywood that has exceptional machining properties and is suitable for natural, colored, and painted finishes.

VDL Virtual Design Library

Wilsonart Virtual Design Library offers nearly limitless colors, patterns, designs.

Education

HPL High Pressure Laminate

A variety of finishes and textures turn settings into something special, while protecting against the everyday impact of shoppers and guests.

SS Solid Surface

With this easy-to-maintain surface, you can worry less about spills and smudges and more about letting customers enjoy the experience.

TFL Thermally Fused Laminate

Our Thermally Fused Laminate excels in low-touch applications, including vertical surfaces that are rarely contacted, but always seen by customers.

CS Coordinated Surfaces

Why settle for close enough? We provide an easy-to-spec combination of High Pressure Laminate, Thermally Fused Laminate Panels, and Edgeband, perfect for coordinating storage cabinets, work surfaces, and more.

HWS Salice

A complete product line of concealed hinges, drawer slides and sliding door systems.

HWL Hardwood Lumber

Beautiful, sustainable, functional... and more popular than ever, in stock and ready for delivery.

PLY AetnaPly

Rotary cut plywood that has exceptional machining properties and is suitable for natural, colored, and painted finishes.

VDL Virtual Design Library

Wilsonart Virtual Design Library offers nearly limitless colors, patterns, designs.

Let's Go to Work!

Surfaces

- Wilsonart® Quartz: Available in dramatic new designs.
- Wilsonart® High Pressure Laminates (HPL): With hundreds of designs to choose from.
- Wilsonart® Specialty Laminates: A growing range of specialty surface solutions, including Decorative Metals, SOLICOR, Fire-Rated, High Wear and many others.
- Wilsonart® Solid Surface and Sinks: A seamless, nonporous and hygienic performance surface.
- Wilsonart® Adhesives: Offer unparalleled bonding performance for High Pressure Decorative Laminate and other surfacing products.
- THINSCAPE: Performance tops revolutionize the countertop. Modern. Ultra-thin. Sleek.
- WETWALL: The ultimate surface for where water is ever-present. This patented lightweight panel system is simple to install and easy to maintain.
- John Boos Butcher Block Tops: Stunning kitchen countertops, safe and sensible food prep surfaces.

Composites

- Wilsonart® TFL Panels: Over 200 matching woodgrains, solids and patterns.
- Arauco Particleboard: Standard, Plus, Fire-Rated, and Ultra Low Emitting Formaldehyde (ULEF).
- Roseburg TFL and Particleboard: Featuring Ultrablend, SkyBlend, and MDF.
- Arauco Trupan MDF: From locally produced high density panels to Radiata Pine Ultralight MDF.
- Weyerhaeuser MDF (Plum Creek): Made from western softwoods known for their low-abrasive content and light color.
- Modern Mill/Acre Board: All the warmth of wood but none of the disadvantages. It's water and weather resistant, making it ideal for outdoor kitchens, patios, and exterior millwork.
- ACRE from Modern Mill: A sustainable new building material with all the warmth and beauty of real wood.

Plywood

- AetnaPly™: A rotary cut plywood with exceptional machining properties; suitable for natural, colored, and painted finishes.
- Columbia Forest Products: North America's largest manufacturer of hardwood plywood; a leading producer of hardwood veneer faces.
- Timber Products Company: A full range of hardwood plywood; a top manufacturer of hardwood veneer faces.
- Pro-Ply Custom Plywood: A leading manufacturer of hardwood, softwood and custom plywood.
- Roseburg Forest Products: SkyPly® hardwood plywood offers a virtually unlimited number of options for faces, backs, finishes, cores and veneers.
- Weyerhaeuser: One of the largest sustainable forest products companies in the world – and an excellent source for softwood plywood.
- Bessemer Plywood Corp.: A producer of high-quality Aspen and northern softwood plywood.
- Import Hardwood and Softwood Plywood: A growing selection from around the world ranging from decorative premium to common industrial grades.

Hardwood Lumber

- Species:
- Hard Maple (Northern)
 - White Oak
 - Walnut
